

Stevens Institute of Technology - Department of Computer Science Mid-Term Course Survey

Course No: _____ **Course Name:** _____ **Section:** _____ **Session:** _____

Instructor: _____ **Teaching Assistant:** _____

Please help us to evaluate your learning experience in this course by filling in this short survey. A volunteer from the class should collect the completed surveys and bring them back to the Computer Science Department on the third floor of the Lieb building (they can be slipped under the door of the main office if necessary). The department will make copies of the surveys for its own records, and provide the completed surveys to the instructor.

This survey is intended to help the instructor in delivering a good educational experience to you in the course. Your constructive feedback is greatly appreciated in this process.

1. What do you like about this course so far?

2. What suggestions do you have to improve this course?

3. Do you have any other comments?
